

“Show me the right path, O Lord; point out the road for me to follow. Lead me by your truth and teach me, for you are the God who saves me. All day long I put my hope in you.” Psalms 25:4-5 (NLT)

David greatly desired to know God’s truth and to do God’s will. There was a time in David’s life that he learned when he did things his own way it led him and others to anguish and destruction. It was through those lessons that David learned to continue to trust in God to lead him and save Him. David put His hope in God. At Western Michigan Adult and Teen Challenge, the men and women have chosen to leave the past in the past and have hope for their future. They are learning to discover God’s truth and follow His leading for their lives.

God wants us to open our hearts and allow Him to show us the road in which He wants us to follow. The truth is, a journey with God is a journey that will lead to a life of peace and joy. There may be some struggles along the way, however, the Lord will get you through it. Stay persistent, stay strong and keep traveling down the road God has laid before you. Proverbs 16:9 (ESV) says, **“The heart of man plans his way, but the Lord establishes his steps.”**
