CALLED TO SOMETHING HIGHER

INSIDE THE PROGRAM: A CLOSER LOOK AT TRANSFORMATION

Real change is not simply about what someone does, it's about who they are becoming.

At Western Michigan Adult & Teen Challenge, transformation is shaped through discipleship: calling men & women to something higher as they grow in their relationship with Christ. This is not about enforcing rules, but about walking with individuals as they learn to think differently, live differently, and respond differently.

Over time, we begin to see those shifts take root:

- Identity is restored — *understanding who they are in Christ*
- Thinking is renewed — *replacing old patterns with truth*
- Habits begin to change — *choosing consistency over cycles*
- Responsibility is embraced — *owning decisions and actions*
- Faith is strengthened — *developing a personal relationship with God*

This is where transformation happens, not through compliance, but through discipleship that shapes a life from the inside out.

MAYGRAD

Hear Anthony's Story
in His Own Words

I spent most of my life wandering through darkness. My relationship with sin led me into years of addiction, and most of my adult life behind bars.

But God found me.

He met me where I was, and changed everything. For the first time in my life, I have hope. Because God is with me.

SPECIAL THANKS

We would like to extend our sincere gratitude to Ken Ferris as he retires from the Board of Directors after decades of faithful service to Western Michigan Adult & Teen Challenge.

For many years, Ken has given his time, wisdom, and steady leadership to support the mission of this ministry. His commitment has helped shape the work being done today and has impacted countless lives along the way.

We are deeply grateful for his faithfulness and the lasting legacy of his service.
