

ATC DECEMBER 2023

WESTERN MICHIGAN
ADULT & TEEN CHALLENGE

Merry Christmas

to all of our Western Michigan Adult & Teen Challenge families, prayer partners, and financial partners! May God bless you and your family this holiday season!

GRADUATE TESTIMONIES

Addiction to crack cocaine and wine grabbed hold of my life on and off for a long time. My husband was tired of the lifestyle we were living and came to Western Michigan Adult & Teen Challenge. After some time, God also got my attention and I came to the program also. My favorite verse is Jeremiah 29:11 because God knows the plan that He has for me. I stand on His word. I now have a new relationship with Jesus! God has restored our marriage, my health, and our relationship with our children and grandchildren! I now have hope for a future!

CAROLYN HOLLAND

I came to Adult & Teen Challenge a broken, lost, prideful, fearful, and confused man. I was running from God for several years, afraid of His call and what He wanted to do with my life. I was holding onto my pain and hurting others in the process. I heavily used cocaine to try to escape myself and reality while going into deep darkness and being tormented by the devil. When I came to the program God helped me to break by pride and I began to see the beauty in humility. I learned that I can take my pain to the altar. The word of God started to wash me and bring healing and transformation to my life. Today I am a new man with a sound mind and love in my heart. I am so grateful to God for not giving up on me! I am excited for my future and His call on my life!

YEAR-END GIVING

Thank you to everyone who gave during our Giving Tuesday event in November. There is still time if you wish to give. Also, please remember Western Michigan Adult & Teen Challenge in your year-end giving. Your contribution will need to be postmarked "2023" to receive tax credit for 2023. We are very thankful for your ongoing, faithful, and generous support!

To make your contribution, you can visit our website at wm-tc.com or scan the QR code.
