Dear Friends,

A very precious and encouraging scripture during these trying times is Isaiah 41:10, "Fear thou not; for I am with thee: Be not dismayed; for I am thy God: I will strengthen thee; yea, I will help thee: yea, I will uphold thee with the right hand of my righteousness." Thank God for the comfort and strength that we find in the word of God.

Thank God for all of you who have come along side us at this time with your financial assistance and prayers. It means so much to us. **Thank you!**

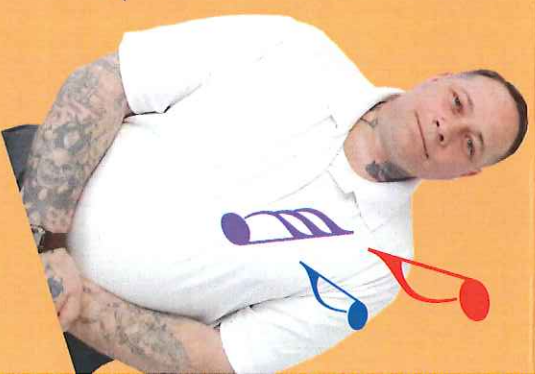

The staff and all the guys and ladies in the program are all doing well. The students continue to grow and mature spiritually. Do pray for our students. They are not able to have their family visits at this time. However, they do receive phone calls and have video chats with family.

HAVE REDEEMED YOU. I HAVE CALLED YOU BY NAME. CHILD, YOU ARE MINE.

I often find it hard to believe that just a year and a half ago I was spending the majority of my time in my garage hiding my IV drug use from my fiancée. Now I'm living for two things: to serve and honor God, and to be a big brother to my younger sisters. For 26 years, I glorified drugs "meth" - twenty-four of which were through an IV. Two and a half months into the program I gave my life to the Lord. Since then, every day has been better than the last. If it weren't for the memories of my drug use, it's like I've never done a drug in my life. I have no mental or physical attachment at all. Praise God! Matthew 6:21, "For where your treasure is, there will your heart be also."

Growing up, I knew who God was but always ran from His calling. I always chose to go left instead of right, thinking I could do things on my own and my way. It took going to jail many times, years of running with drugs and alcohol, and losing everything for me to answer God's calling. Coming to Teen Challenge, I sensed a forgiveness and love that I have never felt before. I sensed God's compassion. I am happy to say that I am saved and no longer a slave to sin. Psalm 80:3, "O Lord, Thou has brought up my soul from the grave: Thou hast kept me alive, that I should not go down to the pit."

We purpouse to move forward with this ministry. God has certainly been faithful. Please continue to pray for us and remember us with your giving. All of you are in our prayers. We appreciate each of you very much. May God's richest blessings rest upon you.

With love and prayers,
Phil & Michelle McClain
