

2 Chronicles 7:14 says, "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

It doesn't matter what people are going through, it may be drug addiction, alcoholism, depression, self-harm, or any affliction. If we learn to surrender to Jesus, keep our eyes on Him and build a relationship with Him, He will take care of us and the troubles in our lives. He promises that, "He will heal their land". We will receive favor and blessings in our relationship with Jesus.

Jesus is the answer! He is our comforter, our healer, He gives us wisdom, direction, opens doors and sets us free! John 14:6 says, "Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me." Jesus is not merely one way among many ways . . . He is the only way! He has paid the full price for our sins, no matter what they are and no matter who we are. This is a promise and He will never change. **Hebrews 13:8. "Jesus Christ the same yesterday, and today, and forever."**

GRADUATE TESTIMONY

Brittany Meinke

Growing up on a farm with God all around me and a loving family gave me the setup to have a good life, but events and choices outside of my family led me to a constant state of anxiety. First numbing the hurt and anxiety with painkillers and then deeper with heroin and alcohol.

The life I had wanted so badly was all lost. I hurt my family, lost my career and was in and out of jail. Because of dangerous choices I was relocated by the police to a domestic violence shelter. I didn't think I was going to make it, but praise God He led me to Teen Challenge. Because of this program I found a relationship with Jesus. He gives me all the peace and love I never even knew I needed. The desire to use is no longer present because there is nothing to numb. The Lord provides it all for me and

I am forever grateful! **Psalm 107:14, "He brought them out of darkness and the shadow of death and broke their chains in pieces."**

I believe that a lot of us in the Christian community realize that we live in difficult, troublous days. The enemy of our soul is trying to tear down our faith in God. But the Lord is with us and we are not giving up. We are holding to the King of Kings and Lord of Lord's – Jesus Christ. I know you love Him and will be faithful till the end. He will never leave you nor forsake you. Remember – His coming is very near. In light of His soon return keep praying for lost loved ones to come to Christ for salvation. And pray for lost souls around the world. People today need Jesus so desperately. Jesus said that He came to seek and to save the lost. Please keep praying for us as we minister to our students and pray for them also.

We continue to hold you and your family up in prayer. May God bless you! Thank you for your giving and support. Your giving keeps our monthly bills paid to feed, clothe, teach and train people in the Christian faith. Please keep praying about how the Lord would have you give. We appreciate each of you very much. May God's richest blessings rest upon you! We love you! Keep rejoicing!
