

# WESTERN MICHIGAN TEEN CHALLENGE

440 Pontaluna Road | Muskegon, MI 49444 | 231-798-7927

Dear Friends,

We look forward to 2014 in faith, confidence and joy. 2013 was a wonderful year in the Lord here at Teen Challenge. Many were delivered from drug addiction and alcoholism by coming to Christ. Today they are living out their lives unto the Lord. Praise God! Now with anticipation we look forward to sharing the gospel of Jesus Christ with as many addicts and alcoholics as possible. I know God will deliver them, set them free, and bring glorious salvation to their lives as they surrender to Christ.

We are now in our 44th year in this precious, home-missions ministry. Thousands have come to Christ. Thousands have been set free and today are serving Jesus. Thank you for standing with us in prayer and financial giving all these years. Your prayers, giving, and labors are not in vain in the Lord.

One day soon we will all sit down in the eternal kingdom of God and rejoice as we see the many we have helped win to Christ. Thank you for standing with us as we face another year. By His grace we will work 'til He comes...

## STUDENT TESTIMONY

My name is Brian Hall and I am 33 years old. I grew up in Muskegon, Michigan and had a fairly normal, enjoyable childhood. I excelled in sports and academics. When I entered high school I began my sin life full force. I moved to Northern California to attend college and dove deeper into drugs and immorality. After secular rehab and some "clean time," I headed to Chicago to begin a new life. I had all the successes of the world, but I was still empty inside. After a failed marriage, a newborn child, drug addiction, divorce, suicide attempt, and career loss, I found myself back in Michigan...homeless, drunk, and desperate. In need of help, I attended church; and that evening I was saved and led to my Lord and Savior, Jesus Christ. As I opened a Bible for the first time, God directed me to a portion of scripture, Psalm 138:3 "In the day when I cried out, you answered me, and made me bold with strength in my soul." With help from family and God's guidance, I entered Teen Challenge. Through obedience to God and His will for my life, I am alive again. Slowly but surely God has been restoring all areas of my life, according to His purpose.

*For there is hope of a tree, if it be cut down, that it will sprout again, and that the tender branch thereof will not cease.*

Thank you for being partners with us in this precious ministry of salvaging such broken lives. The devastation and hurt along with the addictions in people's lives are almost unbelievable. That's why so many lose all hope; and, to them, death seems like their only way out. I'm so glad that Jesus is not willing that any should perish, but that all should come to repentance, and that the gospel is the power of God unto salvation. When people come to Christ they experience abundant life and renewed hope. Thank God for Jesus and the plan of salvation.

Thank you for helping us to tell the old, old story of God's redeeming grace and love. Your prayers and support are all important and appreciated. May God bless you, and have a blessed New Year.

Love and prayers,  
Phil & Michelle
